April 2020 Programs

- » **Story Time** – This program is best suited for children ages 2-5.
Join us on Facebook or Instagram for our preschool literacy and language program. Each week we'll read a different book allowing your child to create real world connections as they familiarize themselves with the alphabet, new vocabulary words, and rhymes.
What are we learning: *Language Proficiency, Communication Skills, and Listening Skills.*

- » **Science Explorers** – This program is best suited for children ages 3 & up.
Discover the many ways science is all around us in a program that is designed to spark curiosity and create those surprising 'a-ha' moments for children that can last a lifetime. Whether children are experimenting with smells, designing an air powered car, or experimenting with color and dyes, these multi-sensory activities foster curiosity, creativity and problem-solving skills. Join us on Facebook or Instagram to participate!
What are we learning: *Cognitive Development, Early Science and Early Math Skills, Fine Motor Skills, Focus, Perseverance, Problem Solving Skills, Critical Thinking Skills.*

- » **Art Adventures** – This program is best suited for children ages 2 & up.
During this virtual program conducted on Facebook and Instagram, we will discover and create art using different mediums and techniques. Follow along as create something new each week!
What are we learning: *Cognitive Development, Fine Motor Skills, Gross Motor Skills, Listening Skills, Color Recognition, Shape Identification, and Creative Thinking.*

- ★ **Gala To Go!** – Thursday, April 2nd, 2020
The Anniversary Gala is now the Gala To Go! Ladies and gentlemen, step right up and "join us" for an online auction and dinner to go! This year's Gala is in honor of the Founding Members who started The Children's Museum at Saratoga 30 years ago! Your support is needed now more than ever. Please visit The Children's Museum at Saratoga's website to register or donate.
