## November 2020 Programs

- » **Virtual Story Time** – This program is best suited for children ages 2-5. Pre-registration is required. Join us on Google Meet for our preschool literacy and language program. Each week we'll read a different book allowing your child to create real world connections as they familiarize themselves with the alphabet, new vocabulary words, and rhymes. Don't forget to pick up your craft supplies at the Museum!  
**What are we learning:** *Language Proficiency, Communication Skills, and Listening Skills.*
  
- » **Virtual Science Explorers** – This program is best suited for children ages 3 & up. Pre-registration is required. Discover the many ways science is all around us in a program that is designed to spark curiosity and create those surprising 'a-ha' moments for children that can last a lifetime. Whether children are experimenting with smells, designing an air powered car, or experimenting with color and dyes, these multi-sensory activities foster curiosity, creativity and problem-solving skills. Pick up your kit at the Museum and join us on Google Meet to participate! **This program is sponsored by National Grid.**  
**What are we learning:** *Cognitive Development, Early Science and Early Math Skills, Fine Motor Skills, Focus, Perseverance, Problem Solving Skills, Critical Thinking Skills.*
  
- ★ **Shelters of Saratoga Supply Drive** – Saturday, November 7<sup>th</sup> at 10:00 am.  
Last year, Shelters of Saratoga provided food, water, and shelter for more than 200 people in the tri-county area. On November 7<sup>th</sup> from 10am-12pm, items can be dropped off at the Museum during the inaugural supply drive. This is a contactless option of helping our community with the items they need most such as sleeping bags, bottled water, and toiletries. Donations ensure the shelter can continue providing people with basic necessities while they work towards obtaining community-based housing.
  
- ★ **Ready, Set, Build!** – Wednesday, November 18<sup>th</sup> from 4:00 pm – 5:00 pm. Pre-registration is required to receive the Google Meet link and pick-up the materials kit.  
Test out your building skills with a series of challenges designed to encourage creative thinking and problem solving! This hybrid program is both hands-on and virtual! Pick-up a materials kit at the Museum ahead of time then join one of our Museum Educators on Google Meet to get started. Non-members are \$25 each and Members are \$20 each. Email [education@cmssny.org](mailto:education@cmssny.org) to reserve your spot today!
  
- ★ **Thanksgiving Kit Pick-Up** – Monday, November 23<sup>rd</sup> from 9:00 am – 5:00 pm.  
Fun and easy hands-on at-home learning with a holiday twist! Get ready for Thanksgiving with turkey themed building challenges, Thanksgiving crafts, and a gratitude and thankfulness activity with a card to decorate and write to a friend or family member. Kits are \$15 each. Simply email [education@cmssny.org](mailto:education@cmssny.org) to request your kit and pick it up at the Museum on Monday, November 23<sup>rd</sup>!
  
- ★ **Engineering Experts** – Saturday, November 25<sup>th</sup> from 4:00 pm – 5:00 pm. Pre-registration is required to receive the Google Meet link and pick-up the materials kit.  
An introduction to the engineering design process through hybrid learning. Join the Google Meet hosted by a Museum Educator to learn about all about engineers! Design a creative solution to the challenge using each step of the engineering design process. Pick-up a materials kit at the Museum ahead of time then join one of our Museum Educators on Google Meet to get started. Non-members are \$25 each and Members are \$20 each. Email [education@cmssny.org](mailto:education@cmssny.org) to reserve your spot today!
