March 2021 Programs

- » **Virtual Story Time** – This program is best suited for children ages 2-5. Pre-Registration is required. Join us on Google Meet for our preschool literacy and language program. Each week we'll read a different book allowing your child to create real world connections as they familiarize themselves with the alphabet, new vocabulary words, and rhymes. Don't forget to pick up your craft supplies at the museum!
What are we learning: *Language Proficiency, Communication Skills, and Listening Skills.*

- » **Virtual Science Explorers** – This program is best suited for children ages 3 & up. Pre-Registration is required. Discover the many ways science is all around us in a program that is designed to spark curiosity and create those surprising 'a-ha' moments for children that can last a lifetime. Whether children are experimenting with smells, designing an air powered car, or experimenting with color and dyes, these multi-sensory activities foster curiosity, creativity and problem-solving skills. Pick up your kit and the Museum and join us on Google Meet to participate! **This program is sponsored by National Grid.**
What are we learning: *Cognitive Development, Early Science and Early Math Skills, Fine Motor Skills, Focus, Perseverance, Problem Solving Skills, Critical Thinking Skills.*

- » **Save the Date for "Gala to Go"!** – Thursday, April 8th, 2021
"Gala to Go" marks the 31st birthday of CMAS! The Children's Museum at Saratoga will hold its annual Gala celebration on April 8th. The event has been the Museum's biggest fundraiser, and for over 30 years, has marked the birthday of the Museum and its commitment to providing hands-on learning to the children and families of Saratoga and the Capital Region. This year's event will once again be a "Gala to Go". To keep everyone safe, but still make it possible to celebrate and raise much needed funds for the Museum, dinners will be available for contactless pick-up or delivery. This year will also feature a raffle for great prizes. Special birthday-themed project kits for the kids will also be available for purchase. To purchase dinner to go, a kids birthday kit, or reserve raffle tickets, visit [CMAS' 31st Birthday Gala-to-go 2021 Tickets, Thu, Apr 8, 2021 at 5:00 PM | Eventbrite](#)

- ★ **Nature Exploration** – Wednesday, March 17th and 31st at 10:30 am.
Come learn and explore as we make our way through Bog Meadow Brook Nature Trail! Together we'll learn the dos and don'ts of being in nature and go over some of the native plants and animals we may see on our journey. This program meets and ends at the Meadowbrook Road entrance. Each family is \$20 and CMAS Members are free. Please come dressed for the weather and practice all social distancing requirements! **This program is sponsored by MVP.**

- ★ **Super STEAM Kit Pick-Up** – Monday, March 29th 9:00 am – 5:00 pm
Think like an engineer, experiment like a scientist, and create like an inventor with the Super STEAM Kit! Develop problem solving skills and think creatively as you complete a series of hands-on challenges. Kits are \$20 each. Simply email education@cmsny.org to request your kit and pick it up at the Museum on Monday, March 22nd!
