July 2021 Programs

All in-person programs are outside and socially distanced.

Email education@cmssny.org to register.

» **Story Time – Pre-registration is recommended.** ● ●

Join us for our preschool literacy and language program. Each week we'll read a different book allowing your child to create real world connections as they familiarize themselves with the alphabet, new vocabulary words, and rhymes. Each family is required to wear a mask and will receive their own set of materials.

» **Science Explorers – Pre-registration is recommended.** ● ● ●

Discover the many ways science is all around us in a program that is designed to spark curiosity and create those surprising 'a-ha' moments for children that can last a lifetime. Whether children are experimenting with smells, designing an air powered car, or experimenting with color and dyes, these multi-sensory activities foster curiosity, creativity and problem-solving skills. Each family is required to wear a mask and will receive their own set of materials.

» **Art Adventures – Pre-registration is recommended.** ● ● ●

Step into this creative space where children and families can make art together. Participate in a multi-sensory art project each week that encourages self-expression and experimentation with different art mediums. Each family is required to wear a mask and will receive their own set of materials.

» **Beetle and Butterfly Gardening Club – Saturday, July 17th, 24th, and 31st at 10:30 am. Pre-registration is recommended.** ●

Get your hands dirty in this amazing program that will have us gardening, learning about plants, and investigating pollinators. In Summer, we'll focus on pollinators when we get a few ladybugs and butterflies to watch grow and then release to help pollinate our garden. As the days start to drift into Fall, we'll get ready to harvest our garden to make food and other fun experiments. Each family is required to wear a mask and will receive their own set of materials.

★ **NASA Downlink Event! – Wednesday, July 14th** ●

Tune into NASA TV as we host a NASA In-flight Education Downlink! Check our website and Facebook page for more details as we get closer to the event.

★ **Nature Exploration – Wednesday, July 7th and 28th at 10:30 pm. Pre-registration is recommended.** ●

Come learn and explore as we make our way through Saratoga's nature trail! Together we'll learn the dos and don'ts of being in nature and go over some of the native plants and animals we may see on our journey. Please come dressed for the weather and practice all social distancing requirements! **This program is sponsored by MVP.**

★ **CMAS IS OPEN! – Tuesday-Saturday from 9:00 am-12:00 pm. Pre-purchased tickets are recommended** ●

After over a year of being closed, we are so excited to be able to welcome guests back into our building! To pre-purchase your admission tickets, visit [CMAS Admission Tickets!](#)

★ **Save the Date for Big Truck Day! – Saturday, August 7th from 9:00 am-1:00 pm.** ●

Join us for Big Truck Day 2021! Come check out some of the coolest big trucks in the area and enjoy food and treats from your favorite local vendors. Save the date and stay tuned into our website and Facebook page for more information.
