September 2021 Programs

All in-person programs are outside and socially distanced.

» **Story Time** ●●

Join us for our preschool literacy and language program. Each week we'll read a different book allowing your child to make real world connections as they familiarize themselves with the alphabet, new vocabulary words, and rhymes.

» **Science Explorers** ●●●

Discover the many ways science is all around us in a program that is designed to spark curiosity and create those surprising 'a-ha' moments for children that can last a lifetime. Whether children are experimenting with smells, designing an air powered car, or experimenting with color and dyes, these hands-on activities foster curiosity, creativity and problem-solving skills. **This program is sponsored by National Grid.**

» **Art Adventures** ●●●

Step into this creative space where children and families can make art together. Participate in a multi-sensory art project each week that encourages self-expression and experimentation with different art mediums. Art projects also help to develop fine motor skills, color identification, and communication skills.

» **Nature Exploration** – Thursday, September 9th and 23rd at 10:30 am. ●

Come learn and explore as we make our way through Saratoga's nature trail! Together we'll learn the dos and don'ts of being in nature and go over some of the native plants and animals we may see on our journey. Please come dressed for the weather and practice all social distancing requirements! **This program is sponsored by MVP.**

★ **Grandparent's Day Event with Coral and Blue** – Saturday, September 11th at 10:30 am. ●

Celebrate the amazing grandparents in your life with Coral and Blue! This program starts with a reading of the book "The Ultimate Guide to Grandmas and Grandpas" by Sally Lloyd-Jones followed by a card making project where children are able to share their love and appreciation for Grandma and Grandpa.

★ **Homeschool Open House** – Monday, September 20th at 1:00 pm. ●

Homeschool families are welcome to join us for an information session and an outdoor science program at the Lincoln Baths in the Saratoga Spa State Park. The Museum will open after the program for students and their parents or caregivers to explore during this closed to the public time. This is a free event and a schedule of homeschool programs for the school year will be provided.

★ **Peace Week Story Time** – Wednesday, September 22nd at 10:30 am. ●

Get ready for a special peace themed Story Time in celebration of Saratoga Peace Week! Participate in a peace art project and a reading of "I Am Peace" by Susan Verde. Peace Week is an opportunity for children to learn how every person has a part in building peace. In honor of Peace Week, all regular admission tickets are \$2 off on Wednesday, September 22nd.
